THE SPA AT WYNN PALACE

Guests seeking a superlative blend of pampering and relaxation will find a sanctuary for the body and spirit at the Forbes Travel Guide Five Star Spa at Wynn Palace, an immersive environment of luxury and tranquility.

The largest spa in Macau, guests can enjoy a range of experiences from rejuvenating facials to transcendent massages and signature holistic body rituals, each custom-designed to suit individual needs, using exquisitely crafted products exclusive to The Spa at Wynn Palace. Authentic massage techniques are combined with the latest technologies to ensure old and new are perfectly blended by trained therapists to deliver the best results.

The exceptional design of the spa is as stunning as it is unique. Inspired by the royal residences of China's most fabled dynasties, the spa is designed to honor the grandeur of the imperial court. Every element is handpicked especially for the space, so that guests can find a true retreat away from all the excitement. Guests arrive in the Grand Court where a solid brass Foucault pendulum is suspended in the air, its rhythmic swaying marking the entrance to a more tranquil world. A hand-painted, sepia-toned wall-covering mural runs the length of the promenade, depicting a scene of the life around a Chinese Palace and the surrounding waterways.

Guests can unwind in unhurried comfort, enjoying the facilities in the lounge or spa room at their own pace before or after their treatment. Individual guests or couples can relax in one of The Spa's 18 single treatment spa rooms (six of which are private VIP suites) or four double treatment rooms (two of which are private VIP suites). Each VIP suite features hand-made wallcoverings, daybeds for relaxing, soaking tubs and steam room surrounded by rich stone.

Before or after their treatment, guests can savor the spa facilities, enjoying services such as light therapy masks, oxygen therapy, a cologne & perfume bar and complimentary tea and snacks amidst serene surroundings.

The Spa at Wynn Palace also features an outdoor swimming pool and spa pool with a café and a wide selection of healthy cuisine. For a touch of beauty, The Salon offers professional and creative hair, nail and beauty services designed to make each guest feel uniquely radiant. Guests seeking a workout also can enjoy the fully equipped fitness center featuring the latest equipment to ensure a comprehensive fitness experience.
