### ***Chic, Stylish Design Complements Signature Cocktails***

Cinnebar, a chic lobby bar, has a stylish design matched by distinctive signature cocktails and a wide selection of drinks.

The tasteful design of Cinnebar is characterized by a warm glow of fuchsia, with vivid orange, honey onyx and accents of red cinnebar. The Italian honey onyx emits a warm glow, inviting even the most discerning into Wynn's newest lounge where the trendy and beautiful go to see and be seen. Hot orange and vibrant pink among hints of Asian cinnebar wood create a sophisticated escape from the hustle and bustle of Macau's busy and stressful streets. This glamorous location entices guests to quench their thirst and relax either for a moment or to be captivated for an evening. The alluring onyx serves as a perfect bar backdrop, providing inspiration for Cinnebar's artful and creative bartenders, in the creation of their cocktail masterpieces which are as exquisite as the ambience of the bar.
