## **Hanami Ramen**

*The most authentic ramen outside of Japan*

Hanami Ramen provides the most authentic ramen experience in Macau, promising uncompromising quality paired with prompt service. With a menu designed by Yuki Onishi, the world's only Michelin-starred ramen chef, it's the ideal spot to help guests refuel and get back to the action.

To uphold the traditions of Japanese cuisine, Hanami Ramen presents a signature, heartwarming broth made with free range chicken and Japanese clams, soy marinated young bamboo scallions lend a unique flavor to the dish. Guests will also have a choice of premium toppings such as roasted pork, wonton or soy marinated egg to complement the hand-spun ramen noodles. For fans, a collection of Japanese teas and craft beers are also available.

The design of the restaurant is inspired by the Japanese magnolia tree. A large magnolia branch sculpture is suspended above the oval marble ramen counter, featuring cast oiled bronze branches and delicate porcelain magnolia flowers.

The walls are lined with Asian-inspired cabinets, with the door of each painted with a magnolia tree and an *ombré* sunrise backdrop in red and orange hues. Each cabinet has a slightly different image, which when viewed as a whole maintain a continuous scene. Lanterns with patterns of gold, white, and neutral colors feature pops of orange and red, carefully positioned in between each cabinet.
