Wing Lei Palace

Authentic Cantonese flavors in a palatial setting

Wing Lei Palace mesmerizes diners with an extraordinary experience of authentic Cantonese flavors created by Chef Ho in a lavish gold and jade-toned dining room. Diners can enjoy an array of hand-made dim sum, barbecued dishes and classic Cantonese food served daily while enjoying spectacular views across Wynn Palace's eight-acre Performance Lake.

Tea is the thread that ties the dining journey together, beginning with a Welcome Tea and ending with a Digestive Tea, appreciating the drink's central place in Chinese culture. An extensive array of 50 specialty teas, hand-selected by Wynn Palace's Master Tea Sommelier from across China to showcase the diversity of its flavors and blends, complements the exquisite signature dishes.

The spectacular décor provides a palatial setting, articulating a fascination with the architecture, porcelains, textiles and decorative arts of Imperial China and transposed into a European Opera House. Gold and white provide a striking canvas for accents of rich emerald jade in the lavish three-tiered dining room, which boasts magnificent views of the Performance Lake from every seat. The combination of music, light and dancing plumes of water provide spellbinding entertainment to accompany the sumptuous delicacies on offer.

The entry is a work of theater in itself as guests pass through a stunning garden entrance featuring an alée of heroic scaled vases brimming with flowers and floating in beds of floral color, leading to the visual expanse of the dining room and the dance of the fountains beyond. Seven private dining rooms, reminiscent of European opera boxes, are available for added privacy; of these, three are located lakeside with private outdoor terraces.
